**Faubush 2007:*****Design Your Own Professional Development***  
**Tuesday, July 17 -- Thursday, July 19, 2007****REGISTRATION FORM**

The Kentucky Arts Council's annual Design Your Own Professional Development seminar/retreat will have a slightly different twist this summer. As for the past three years, educators and parents will have the unique opportunity to select from a variety of hands-on workshops led by professional artists from the KAC Arts Education Roster, and many of the workshops will continue to focus on the connection between the arts and cultural studies. But this year there will be a new strand of workshops about ***integrating the arts across the curriculum***, exploring how the arts can be utilized to reinforce concepts in reading, social studies, math, practical living, and writing. There will also be a focus on seeing how the various arts disciplines can be combined.

The two-and-a-half-day event will benefit educators in any area of the curriculum, as well as special education teachers, parent coordinators, FRYSC directors, and parents. Participants will receive 12 to 19 hours of professional development credit by attending plenary sessions and breakout workshops of their own choosing. All workshop presenters have received training and had hands-on classroom experience in implementing the Arts and Humanities Core Content and Program of Studies, Version 4.1. While some workshops are popular repeats, many are brand new, including a number of multidisciplinary workshops (See attached list of sessions and strands chart).

The seminar will take place July at the Kentucky Leadership Center near Faubush (Pulaski County). Optional evening activities include a Dance Evening with mini-lessons on Appalachian, West African, Native American and Latino dance, nature walks, and free entertainment provided by some of Kentucky's finest artists.

Registration for the entire event (including lodging, meals, snacks and resource materials) is \$240.00. All participants will have roommates unless a private room is requested (double, triple or quad rooms are available). The total fee for a private room is \$ 300.00. If two or more teachers attend from the same school, they will receive a discounted rate of \$230.00 (with a roommate).

**Register early as space is limited!**

**After June 1 (or earlier if the seminar is full), your name will be placed on a waiting list and you will be notified if openings become available.**
